WORLD HEALING CIRCLE

The Gayatri Mantra.

The Gayatri Mantra is chanted by people all over the world at the very same time. The Gayatri Mantra is one of the keynotes to the transformation of consciousness and is an identical vibration to the vital force in nature. It is one of the oldest prayers known to humanity, being as ancient as light and also the vital force itself. The Mantra is chanted in the Sanskrit language and is most effectively chanted in original Sanskrit. This prayer appeals to the highest wisdom; to the brilliance of the cosmos to illumine an understanding of our true nature. The appeal requests that we become subtle and receptive to the divine wisdom that pervades the experience of life and is the essence of our very Self.

To chant the Gayatri Mantra purifies the chanter. To listen to the Gayatri Mantra purifies the listener. It is said that this sacred prayer spirals through the entire universe from the heart of the chanter, appealing for peace and divine wisdom for all.

Gayatri Mantra:
