WORLD HEALING CIRCLE

Getting started as a member of the World Healing Circle.

With the prayer/mantra/affirmation of the World Healing Circle below, you open up for channeling the healing energies to clean the energy system of our Earth and lift it to a higher level, as well as healing all living on our Earth.

Prayer / Mantra / Affirmation of the World Healing Circle

Dear God / Creator of all that is / ... ,
Let Thy Gifts radiate through me
and overflow the Chalice of my Heart
with Love, Light and Peace
for the Healing of our Earth
for the Wellbeing of all Life on Earth
and for better Understanding, more Respect
and Spiritual Growth among all people.

Let my channel be pure and clean
with Love and Honour for all.
Let Love, Light and Peace be my Guide.

If you are not an experienced healer, here are some tips:

1. You can write down the prayer on a piece of paper and hold it between your hands, sit down in a relaxed position and focus your attention on the goals and say out loud, or in your mind, the prayer three times. Keep your mind focussed at the goals as long as you wish or can. If your mind is 'wandering off' repeat the prayer again, or just stop for the moment. When you are ready, don't forget to thank your God/Creator for being a channel for the Light, Love and Peace energies.
2. Sit down in a relaxed position, focus on the goals and say out loud, or in your mind the prayer three times. Then put your hands in front of you as if you are holding a ball. Visualize the Earth between your hands, and visualize Light (all colours of the Rainbow) coming out of your hands and swirling around the Earth. Keep focussing on the goals during this visualisation. If your mind 'wanders off' repeat the prayer again or just stop for the moment. When you are ready you can visualize Earth in a bubble of Light (all colours of the Rainbow) and you can blow (softly) this bubble into the Universe.
Don't forget to thank your God/Creator for being a channel for the Light, Love and Peace energies.
