

Dear members of the World Healing Circle,

Every year on 21 september it is Peace Day.  
(<http://www.internationaldayofpeace.org/>)

The World Healing Circle is participating in The International Day of Peace Vigil (<http://www.idpvigil.com/>), with a 24 hour prayer/meditation on the Universal wish and prayer: May Peace Prevail on Earth. (to see this mantra in your own language: <http://www.worldpeace.org/prayer.html>)

An ever-expanding number of people worldwide, representing a wide variety of religious and spiritual traditions, have committed to the task of working with other like-minded individuals and groups for an International Day of Peace Vigil with the following objective:

"To encourage worldwide, 24-hour spiritual observations for peace and nonviolence on the International Day of Peace, 21 September 2007 in every house of worship and place of spiritual practice, by all religious and spiritually based groups and individuals, and by all men, women and children who seek peace in the world."

This global 24-hour spiritual observation for peace is meant to demonstrate the power of prayer and other spiritual practices in promoting peace and preventing violent conflict. These worldwide spiritual observances will also help raise public awareness of the International Day of Peace and directly support the establishment of a global ceasefire.

With all the groups and individuals who will be participating in the International Day of Peace Vigil 2007 we can really make a difference.

Hoping that you will participate in this global event,

and with Light, Love & Peace,
